### **How to reach us from the Central Station**

The best option would be to take the Metro MM3 - Yellow Line. You can catch the Metro directly from inside the Station, follow the signs MM3 - Linea Gialla.

You have to take the train direction «Comasina» and step off at the second stop «Zara».

Please follow the exit «Viale N.Sauro» and once up in the open, stay on the right hand side of Viale Zara, cross Viale Nazario Sauro, and our street will be the first one on your right hand side. There is a bar/coffee shop around the corner. Our small pink house is just before the traffic light on the left.

### **Public Transport**

Our B&B is easily connected with a variety of public transport, including:

### **Metro**

There are 2 metro lines at 300 metres:

- the MM3 Yellow mentioned (if you take this line opposite direction, i.e. «San Donato», you reach the Piazza del Duomo/Cathedral - the true hearth of the City - in only 6 stops/14 minutes);
- the MM5 Purple/Lilla line that connects you with Stazione di Porta Garibaldi and where you can catch the MM2 Green/Verde Line that brings you to the Navigli/Channels area. To reach the Navigli/Channels area you have to take the metro MM2 direction «Abiategrasso-Assago» getting off at «Porta Genova» stop. Follow the exit «Via Casale» that brings you directly into the top spot of the Navigli area.

#### **Walking from the B&B**

We are very close to the vibrant Quartiere Isola (10 minutes walking) where there is a great choice of restaurants, pubs and entertainment, such as the [Blue Note](#) in Via Borsieri and a market on Saturday in Piazzale Lagosta.

Heading south from Isola you can reach the new and trendy [Piazza Gae Aulenti](#) and from the far right side of the Piazza descending toward Corso Como, a pedestrian little street full of shops and restaurants. Corso Como connects you with piazza XXV Aprile where there is a big ancient gate and on your left hand side there is [Eataly](#), the best place to buy Deli Italian food.

You may chose to walk toward the Duomo or the Castle area through Corso Garibaldi and Brera that are just in front of Corso Como. **Enjoy!**
